Information to Student	
<p>Platinum Institute Australia (PIA) recognises AQF qualifications and Statements of Attainment issued by other Registered Training Organisations (RTO) in Australia.</p> <p>Students may request credit based on study in a unit of competency or course at another RTO that is within the same Training Package.</p> <p>Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. The assessment determines the extent to which the student's initial course or subject is equivalent to the required learning outcomes, competency outcomes, or standards in a qualification. This may include credit transfer based on formal learning by an RTO of the AQF qualifications and statements of attainment issued by all other RTOs in all states and territories, thereby enabling national recognition of the Qualifications and Statements of Attainment issued to any person.</p> <p>Suitable documentation such as a Statement of Attainment must be provided when applying for Credit Transfer. This evidence must be the original copy or a certified copy with the application.</p> <p>Note: • Student applying for CT must fill in page 2 of this application form</p> <p>Student Signature: _____ Date: _____</p>
